## Our Commitment To Safety

We have implemented the following protocols to ensure a safe, sanitized environment for both staff and guests during your dining experience. We appreciate your patience and understanding.

***"Kindness is a gift everyone can afford to give"***

- ◇ We ask that each guest do a self-health check before arriving at the restaurant. Should you experience any symptoms of COVID-19, we ask for your health, and the safety of others, to stay home
- ◇ Reservations for PARK 600 are required at this time. When you arrive, if your table is not available, we ask that you wait in your car or outside. Our hostess will text you when your table is ready
  - ◇ Guests must wear a mask when not seated at their table
  - ◇ Sanitation stations are available throughout PARK 600
- ◇ Disposable menus & QR code digital menus will be provided along with disposable napkins
- ◇ Every table will be clear of all silverware, glassware, and salt & pepper shakers. Items will be brought to the table upon each guest arrival
- ◇ Our bar and restaurant have been set up with the proper 6-foot separation for physical and social distancing based on the guidelines set forth by our local government and the CDC
  - ◇ By state law, we are currently able to operate at 50% capacity
- ◇ Staff are all trained in proper protocols for handwashing, and sanitizing, and will be wearing masks at all times
- ◇ All tables and chairs are sanitized between each guest use utilizing EPA approved cleaning products. Additionally, all high traffic touchpoint areas are sanitized frequently
